

THANK YOU FOR THINKING OF SAN FRANCISCO ATHLETIC CLUB FOR YOUR NEXT BIG GAME.

PLEASE READ THE IMPORTANT INFORMATION REGARDING THE TERMS
AND CONDITIONS FOR RESERVATIONS BEFORE RESERVING A BOOTH.

BOOTHS

Don't forget, our booths only take up a small portion of SFAC. We have plenty of other seating options - low tables, high tables, communal tables, bleachers, a 20 seat bar - all with views of our 28 big screens. If you can't find a booth at the right time, you should still come on down and join the fun!

At SFAC we offer four spacious leather booths that can be reserved to guarantee a great spot for your group to watch the game. Booths vary in size and can seat anywhere from 8 - 14 people. All booths have dedicated HD screens AND their own dedicated sound systems. One more thing - the booths are the only seats in the house where you can order SFAC's one of a kind bathtubs of beer!

Please note that booth capacities are suggested group sizes. You are welcome to bring more guests and share the space as a home base for the duration of your game.

To complete a reservation you must enter valid credit card information which SFAC will hold in case of a cancellation. There will be a cancellation charge of \$100 if the reservation is cancelled at anytime. By booking a reservation you are agreeing to this cancellation fee. You are required to arrive for your reservation no later than 30 minutes after your reservation time or your reservation is automatically cancelled and your card will be charged.

Booth reservations require table minimums. When you make your reservation you are agreeing to meet the table minimum during a set period of time. Minimums vary depending on booth size:

- **6-8 person booth - \$240 minimum**
- **9-10 person booth - \$300 minimum**
- **11-14 person booth - \$420 minimum**

All minimums must be met before tax and gratuity is added. If minimums are not reached then SFAC will add the difference to the final bill before the customer closes the tab. Your server will ask to hold a valid credit card at the beginning of the game but you may choose to split the bill or pay by cash or different credit cards when you close out.

On all days booth reservations are for a 3.5 hour period. Please understand that depending on the time of your reservation there could be other groups both before and after yours. Please be friendly and respectful to all other guests and to our staff as we try to accommodate everyone to the best of our ability.

OVERTIME POLICY

If the game you are watching goes into overtime and that overtime extends into the next reservation you WILL STILL be allowed to finish watching your game. This extended viewing period is limited to 30 minutes only, after which we will have to ask you to vacate the booth to make way for the next group. Please be friendly and respectful to the previous group and all of our staff if you have to wait a short while for the previous game to finish. We are all sports fans and we all understand the importance of overtime!

If your group is larger than 15 people you can always reserve multiple booths. If multiple booths are not available, or if your group is larger than what is available, please send an email to info@thesfac.com and we will do our best to accommodate your group.

We reserve the right to refuse service to any person at anytime, and holding a reservation at SFAC does not give you any rights you wouldn't normally have as a patron. If you, or a member of your group is intoxicated or otherwise behaving inappropriately, you or they will be asked to leave. Your group's behavior does not change any of our other policies including the table minimum policy. You will be expected to meet your table minimum regardless.

**RIGHT, ALL THE BORING STUFF IS OUT OF THE WAY.
